INTRODUCTION

Understanding How the Enemy Gains Access

Effective deliverance ministry is built on one foundational truth: demons do not operate randomly. They are legalistic. They require legal ground — a door, a right, an agreement — through which they can enter, remain, and operate in a person's life. Understanding these entry points is not about fear or morbid curiosity. It is about closing doors.

This document outlines eight of the most commonly encountered entry points in active deliverance ministry. These are not exhaustive — demonic access can come through many pathways — but these eight account for the vast majority of cases encountered in ministry. Every minister, intercessor, and believer seeking freedom should be familiar with each one.

HOW TO USE THIS GUIDE

Each entry point includes: a description of how the door opens, the spirits most commonly associated with it, a key scripture, and a minister's note with practical guidance. For deeper protocol documents including session worksheets, renunciation prayers, and soul ties workbooks, see the Soldier and Commander tiers at [warroomintel.com](http://warroomintel.com).

FLESH OPEN DOORS

# 01 Sexual Sin & Immorality

Sexual sin is among the most commonly encountered entry points in deliverance ministry. Fornication, adultery, pornography, masturbation, and sexual perversion create legal rights for spirits of Lust, Perversion, Jezebel, and Incubus/Succubus to operate. Soul ties formed through sexual union outside of covenant marriage bind individuals spiritually to their partners, transferring demonic assignments along those connections.

ASSOCIATED SPIRITS

- ◆ Lust
- ◆ Perversion
- ◆ Jezebel
- ◆ Incubus / Succubus
- ◆ Soul Tie spirits

*""Flee from sexual immorality. Every other sin a person commits is outside the body, but the sexually immoral person sins against his own body.""*

— 1 Corinthians 6:18

**MINISTER'S NOTE**     *Always address soul ties and renunciation of partners before attempting to evict spirits of lust. Order matters.*

COVENANTS & AGREEMENTS

02 Occult Involvement

Any involvement with occult practices — whether direct or inherited — creates significant legal ground for demonic habitation. This includes Ouija boards, tarot cards, palm reading, horoscopes treated as authoritative, Wicca, Santeria, Voodoo, Eastern mysticism, and energy healing practices. Even "curiosity" participation opens doors. Freemasonry is a major covenant category of its own and requires specific renunciation protocols.

ASSOCIATED SPIRITS

- ◆ Python / Divination
- ◆ Witchcraft
- ◆ Familiar Spirits
- ◆ Leviathan
- ◆ Mind Control

*""There shall not be found among you anyone who practices divination or tells fortunes or interprets omens, or a sorcerer...""*

— Deuteronomy 18:10

**MINISTER'S NOTE**     *Inventory all occult objects in the home. Objects must be destroyed, not donated. This is a required first step before ministry.*

BLOODLINE OPEN DOORS

03 Generational Iniquity

Demonic spirits operate through family bloodlines when iniquity (bent patterns of sin) is not addressed. Alcoholism, rage, sexual addiction, poverty, witchcraft practice, and occult covenants passed through generations create inherited legal ground. The person may have never personally committed the sin but bears the consequence through their lineage. Generational spirits are often some of the most deeply rooted and require bloodline renunciation.

ASSOCIATED SPIRITS

- ◆ Generational Curse spirits
- ◆ Addiction
- ◆ Rage
- ◆ Poverty / Mammon
- ◆ Witchcraft

""...visiting the iniquity of the fathers on the children and the children's children, to the third and the fourth generation.""

— Exodus 34:7

MINISTER'S NOTE

During intake, always gather a three-generation family history — mental illness, addiction, early death, occult activity, sexual sin.

WOUNDS & FRACTURES

04 Trauma & Emotional Wounds

Severe trauma — especially in childhood — creates fractures in the soul through which demonic spirits gain access. Abuse (physical, sexual, verbal, emotional), abandonment, neglect, and betrayal are primary trauma gateways. Spirits of Rejection, Fear, Death, and Grief attach to the wound site. In some cases, trauma-based fracturing requires inner healing work to occur alongside or before formal deliverance can be effective.

ASSOCIATED SPIRITS

- ◆ Rejection
- ◆ Fear
- ◆ Death / Grief
- ◆ Abandonment
- ◆ Shame

""He heals the brokenhearted and binds up their wounds.""

— Psalm 147:3

MINISTER'S NOTE

Do not attempt to drive out spirits lodged in deep trauma without first ministering to the wound. Evicting spirits prematurely without healing leaves the house empty.

SOUL OPEN DOORS

05 Unforgiveness & Bitterness

Unforgiveness is one of the most underestimated demonic entry points encountered in ministry. Scripture makes clear that refusing to forgive gives legal right to tormentors. Bitterness, resentment, hatred, and offense open the door to spirits that lodge in the soul and eventually affect the body through physical illness. This entry point is frequently discovered after other deliverance has already been done but the person remains bound.

ASSOCIATED SPIRITS

- ◆ Bitterness
- ◆ Resentment
- ◆ Hatred
- ◆ Murder (spirit of)
- ◆ Torment

*""...and his master delivered him to the jailers, until he should pay all his debt. So also my heavenly Father will do to every one of you, if you do not forgive your brother from your heart.""*

— Matthew 18:34-35

MINISTER'S NOTE

*A forgiveness worksheet should be completed before every session. This is not optional. The forgiveness prayer is the legal key that cancels the tormentor's right.*

SPOKEN AGREEMENTS

06 Word Curses & Vows

Words carry spiritual weight. Curses spoken by parents, authority figures, or the person themselves create spiritual realities that demons enforce. Vows made in anger, despair, or naivety ("I will never trust anyone," "I am worthless," "I would rather die") become binding agreements. Inner vows of self-protection are especially common and block healing. Curses spoken by witches or warlocks in prayer against a person also carry legal weight and must be specifically renounced and broken.

ASSOCIATED SPIRITS

- ◆ Spirits of the Word Curse
- ◆ Death
- ◆ Hopelessness
- ◆ Self-Rejection
- ◆ Infirmary

*""Death and life are in the power of the tongue, and those who love it will eat its fruit.""*

— Proverbs 18:21

MINISTER'S NOTE

*During intake, specifically ask about negative declarations made over the person by parents or in moments of crisis. These are frequently overlooked.*

HEART POSTURES

07 Pride & Rebellion

Pride is Lucifer's original sin and remains one of his primary entry points into human hearts. Pride opens the door for Leviathan — the spirit of twisted thinking and hardened reasoning — to operate. Rebellion against God-ordained authority (parents, government, church leadership) is rooted in the same spirit that drove Saul's disobedience. Rebellion is as the sin of witchcraft (1 Samuel 15:23), meaning it operates with the same spiritual authority as an occult covenant.

ASSOCIATED SPIRITS

- ◆ Leviathan
- ◆ Pride
- ◆ Rebellion
- ◆ Witchcraft (through rebellion)
- ◆ Stubbornness

""For rebellion is as the sin of divination, and presumption is as iniquity and idolatry.""

— 1 Samuel 15:23

MINISTER'S NOTE

Leviathan is a hardcoded primary spirit in every session for this reason. Pride blocks deliverance. Address it first in prayer before the session opens.

FLESH OPEN DOORS

# 08 Substance Abuse & Addiction

Drug and alcohol abuse — including pharmaceuticals used recreationally — open the spirit of the individual to demonic influence in a unique way. The Greek word "pharmakeia" (sorcery) is rooted in drug use. Substances alter consciousness and lower spiritual defenses, creating open access. Additionally, addiction spirits operate through the body's cravings to maintain control. Nicotine, alcohol, and narcotics are the most common but gambling and food addiction operate through the same principality.

ASSOCIATED SPIRITS

- ◆ Addiction
- ◆ Pharmakeia / Sorcery
- ◆ Infirmary
- ◆ Bondage
- ◆ Gluttony

*"...sorcery, drunkenness, orgies, and things like these. I warn you, as I warned you before, that those who do such things will not inherit the kingdom of God."*

— Galatians 5:20-21

**MINISTER'S NOTE**     *Do not attempt full deliverance on someone actively under the influence. Basic sobriety is required. Addiction spirits are tenacious and often return — aftercare and ongoing discipleship are critical.*

WHAT COMES NEXT

From Intel to Action

Knowing the entry points is the beginning — not the end. The goal of this document is to equip you to recognize open doors in your own life and in those you minister to. Every entry point has a corresponding closing protocol: renunciation, forgiveness, breaking of soul ties, destruction of occult objects, inner healing, and authoritative prayer.

War Room Intel exists to equip the active deliverance minister with the intelligence, protocols, and community needed to conduct effective ministry. Our full resource library includes tier-specific documents for every stage of training.
